

## Common Core Math examples

While most of these videos address some of Common Core Math, they address other areas of objection to the Common Core Initiative and presents them in short video presentations. If you want to know what all the fuss is about and why all the parents are getting "mad as hell" then watch and see common core in action and you make up yur own mind. Don't believe the media and big business who will be making billions off you in the CCSI. When your convenience jion us in the STOP Common Core in Louisiana Collation. **Click on Title below to View Video.**
