

MORE THAN SEVEN OUT OF TEN MUSLIMS AGREE

OBAMA DOING GREAT JOB AS PRESIDENT

More than any religious group in America, Muslims approve of President Obama's job performance. When surveyed in a recent 6-month Gallup Poll conducted from January to June, 72% of Muslims gave Barack Hussein Obama a thumbs up, while only 20% gave him a thumbs down with regard to job approval. This contrasts sharply with Protestant/Other Christians in that just 37 percent said they approved of his job performance while a whopping 58 percent disapproved.

Atheists and Non-Christians/No Religion followed behind Muslims with a 59 and 54 percent approval rating respectively.

While 44 percent of Catholics answered they were NOT satisfied with the president's performance as leader of the free world, Mormons came in with the highest DISAPPROVAL rating of 78 percent.

FORMER PRESIDENT JOINS SPEAKER LINEUP AT RADICAL ISLAMIST CONVENTION

No surprise here. Former President Jimmy Carter will be among the speakers as well as book signers at the upcoming Islamic Society of North America (ISNA), a group that has been linked to the Muslim Brotherhood and whose membership consists of a literal Hall of Fame of Islamic radicals. One of its leaders has even declared, Our job is to change the constitution of America.
